

## Top handbags available in the market

Top handbags available in the market Brand name products always come with high price tags. Usually top branded products do not offer any bargain. Well many of us are so passionate to acquire a brand product but do not want to pay the price that the original brand product sells at. This passion for brand items with limitations of personal finances brought out a new business – the business of replicas. Replicas have often been termed as an illegal business and original companies take a very serious view of these “counterfeited” products. This is applicable especially for commercial merchandise like luxury watches, bags, accessories and designer label clothing. In the market of luxury handbags and accessories, names like Louis Vuitton, Coach, Chloe are very common ones. So are their replicas in the bargain markets. Replica handbags are mostly produced in China and sold all around. Here are the top companies who sell handbags:

- Louis Vuitton: Louis Vuitton (also known as LV) is a popular French luxury fashion and leather goods brand that produces a wide range of handbags. It is synonymous with high quality fashion especially for its variety of Louis Vuitton handbags. The brand has been subjected to extensive counterfeiting since its establishment in 1854. Almost 99% of the handbags bearing the popular LV logo today are basically Louis Vuitton replicas. Louis Vuitton replicas are usually of very high grade replica handbags and are available in unbelievable price – mostly at 10% or below the original product price.
- Chloe: Chloe is a famous brand name in luxury fashion products' market. The original company was founded in 1952 with the successful introduction of fashionable 'luxury prêt -à-porter' or 'ready-to-wear' products. Today's Chloe replica handbags are almost 100% look-and-feel alike products that come with extremely low price tags. There are many online retailers selling Chloe replica handbags with prices as low as 10%-15% of the original Chloe handbags with exactly same looks and designs.
- Coach: Coach is name that is well known for its luxury fashion products for almost forty years now. Its handbags come with simple yet classic and well balanced designs. Coach replica handbags too are highly demanding products in retail and online shops that sell replicas. Coach replica handbags maintain a perfect balance between aesthetics and functionality. They come with different size, shape, pockets and straps that add to your efficient use of the bags and your personal fashion needs. If you are interested in handbags that bear a brand name, looks and feel almost like the original (one that you saw with your rich friend) and want to pay a very low price, replica handbags are your only choice. You may find a retail shop that sells replica handbags near you or visit hundreds of websites that offers them with great deals. Next time you see a person carrying a handbag that looks like a Louis Vuitton, Coach or Chloe you know they may not be the original one, they may be replicas. Keep your eyes open!
